- We're proud of saying that we're the most active of the Divisions within NASMHPD
- Group meets annually, and this is our Annual Meeting

What is NASMHPD?

Founded in 1959 and based in Alexandria, VA, the National Association of State Mental Health Program Directors (NASMHPD) represents the $31 billion public mental health service delivery system serving 6.3 million people annually in all 50 states, 4 territories, and the District of Columbia. NASMHPD (pronounced “NASH-bid”) operates under a cooperative agreement with the National Governors Association and is the only national association to represent state mental health commissioners/directors and their agencies.

NASMHPD

- NASMHPD has 5 divisions comprised of directors of special populations/services (Children, Youth & Families; Financing and Medicaid; Forensic; Legal; and Older Persons) as well as a Medical Directors Council. The purpose of these entities is to provide technical assistance and expert consultation to the Commissioners/Directors on issues specific to those populations. Each of the Divisions and the Medical Directors Council has a Commissioner Division Advisor.

NASMHPD - OPD

- The Older Persons Division (NASMHPD), are organized to carry out certain purposes of the parent organization as they specifically relate to older persons in accord with and subject to the amended bylaws of NASMHPD.
