Today, more than 600 people in the U.S. will die from preventable injuries. We aim to reduce the burden of traumatic injuries and violence.

Creating knowledge to keep you safe

RESEARCH

We create knowledge to keep you safe...
- In your home
- On the road
- In your workplace
- In your community

OUTREACH

We collaborate with partners locally, nationally and internationally to put research into action.

EDUCATION & TRAINING

We train current and next generation researchers and public health professionals.

The University of Iowa Injury Prevention Research Center (UI IPRC) has been continuously funded since 1991 by the National Center for Injury Prevention and Control at the Centers for Disease Control and Prevention.

Center Expert Research Teams

- Rural Acute Care
- Interpersonal Violence
- Older Adult Falls
- Road Traffic Safety
- Opioid Overdose
- Intervention & Translational Research

Meet our UI IPRC leadership

Corinne Peek-Asa, Director
Carri Casteel, Associate Director
Lisa Roth, Deputy Director
Cara Hamann, Assistant Director for Training & Education
