

## Registering for Excellence in Public Health Practice: Lessons from the Field

1. Go to <http://www.prepareiowa.com/> and log in. If you do not have a log in ID, follow the steps for registering with the Learning Management System.
2. Once logged in, type "Excellence in Public Health Practice" in the search box in the upper right-hand corner of the window, as shown below.

3. When the results appear, click on the underlined title of the course with the "curriculum" option, which will allow you access to all 12 modules and post-tests in one group.

The curriculum that appears will look like this:

Home >> Curriculums

### Excellence in Public Health Practice: Lessons from...

View all training activities for the curriculum.

**Curriculum**

Click the title of a training activity to access it (except classroom course sections) or use the Action menu to perform other tasks.

**Title** Excellence in Public Health Practice: Lessons from the Field

**Description** As public health professionals, we are all part of a team making a contribution to the improvement of community health. This 12-part video series is designed to help you better understand the 10 essential services that form a comprehensive public health program.

In all, you will listen to 36 first-person stories from an outstanding group of public health practitioners. Each video focuses on one essential service, and will require approximately one hour of your time.
