and Work-Related Health Care Services
University of Iowa Hospitals & Clinics

Heartland Center for Occupational Health & Safety
WORKSAFE
Upon completion of this program, participants will be able to:

• **Wikle**: Explain the causes of the opioid epidemic. Describe current trends in opioid prescribing in Iowa as compared to the US.

• **Rathje**: Explain how Emerge’s EFA-STM program can provide a more accurate diagnosis, improve patient care and reduce lost time from work.

• **Van Dillen**: Identify the influences and pressures behind our ethical choices. Describe how case management values, procedures, and guidelines establish useful boundaries. Describe the Standards of Practice for a Case Manager as described on the CMSA website.

• **Buckwalter**: Summarize the causes, clinical presentation, and effective treatment of medial and lateral epicondylitis.

• **Legal Update**: Summarize the recent changes to Iowa’s workers’ compensation laws that are most consequential to occupational health and workers’ compensation professionals.

• **Medical/Legal panel**: Discuss difficult occupational medicine scenarios and how to best handle them with respect to both medicine and law.
$90.00  
General Public

Complimentary  
Heartland Center Trainees  
Registration paid for by the Heartland Center.

The registration fee includes all program instruction, materials, breakfast, lunch, refreshment breaks, and awarding of continuing education credit. Pre-registration is strongly encouraged. Cash, check, or credit card are accepted.

Cancellation/Refund policy: If registration is cancelled prior to November 2, 2018, the registration fee will be refunded less a $30 handling charge. After November 2, 2018, the full amount will be invoiced.

Nursing CEUs
The University of Iowa College of Nursing is an Iowa Board of Nursing Approved Provider Number 1. Case Management: Care of Work-Related Injuries is approved for 6.0 contact hours on November 16, 2018. The Heartland Center requires full-time attendance for CEU award.

Case Managers
This program has been pre-approved by the Commission for Case Manager Certification to provide continuing education credit to Certified Case Managers (CCMs). The course is approved for 5.0 CE contact hours, and 1.0 ethics contact hour.

General CEUs
This program has been approved for 6.0 contact hours (.6 General CEUs), which will be awarded by the UI Center for Conferences.

Radisson Hotel & Conference Center
1220 1st Avenue, Coralville, IA 52241

Parking is free at the Radisson. A room block has been reserved for November 15 and 16, 2018 at $94+tax per night. To make your reservation at this rate, call the hotel at 877-231-0729 by October 19, 2018 and ask for the room block Case Management Seminar.

Purpose: This conference will provide current information on the case management of work-related injuries.

Intended Audience: This conference is intended for case managers, occupational health nurses, insurance adjusters, safety and human resources professionals, and employers interested in expanding their knowledge of case management and the medical treatment of work related injuries.

Accommodations: Individuals with disabilities are encouraged to attend all University of Iowa-sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact Mike Meginnis at 319-335-4684 or michael-meginnis@uiowa.edu.
