

Request for Course Waiver

The University of Iowa Master of Public Health Program

The requirements for waiving a course are listed below:

- The substitute course must be an equivalent graduate level course or a combination of courses taken for a grade.
- The course must have been taken in a four-year undergraduate degree program or a graduate program at an accredited institution.
- Students requesting a course waiver will need to present this form and the course syllabus to the MPH Educational Advisor before the student registers for the semester in which the course(s) will normally be taken.
- The MPH Educational Advisor will seek appropriate instructor and advisor approval and will notify the student once a decision has been made.

Please fill in the information below:

Name _____

Title/course numbers of course(s) to be waived _____

Title/course no. of equivalent course work taken _____

No. of credit hours earned _____ Grades Earned: _____

Name and address of the institution where the equivalent course work was taken: _____
