

BIOGRAPHICAL SKETCH

Provide the following information for the Senior/key personnel and other significant contributors.

Follow this format for each person. DO NOT EXCEED FIVE PAGES.

NAME: Daniel-Ulloa, Jason D

eRA COMMONS USER NAME (agency login): JDANIEL1

POSITION TITLE: Assistant Research Scientist

EDUCATION/TRAINING (*Begin with baccalaureate or other initial professional education, such as nursing, include postdoctoral training and residency training if applicable.*)

INSTITUTION AND LOCATION	DEGREE (if applicable)	Completion Date MM/YYYY	FIELD OF STUDY
San Diego State University, San Diego, CA	BA	08/2003	Psychology
San Diego State University, San Diego, CA	MPH	08/2006	Public Health
University of California San Diego/San Diego State University, San Diego, CA	PHD	06/2011	Health Behavior Science
San Diego State University, San Diego, CA	NIH training grant	06/2003	Minority Access to Research Careers (MARC)
San Diego State University, San Diego, CA	NIH training grant	08/2003	Minority Biomedical Research Support (MBRS)
San Diego State University, San Diego, CA	NIH training grant	06/2005	Minority Biomedical Research Support (MBRS)
San Diego State University, San Diego, CA	NIH training grant	12/2007	Hispanic Health Professional Training
University of North Carolina-Chapel Hill, Chapel Hill, NC	Postdoctoral Fellow	12/2011	FITShop
Wake Forest School of Medicine, Winston-Salem, NC	Postdoctoral Fellow	07/2012	Mentor/PI: Dr. Scott Rhodes
University of Iowa, Prevention Research Center for Rural Health, Iowa City, IA	Postdoctoral Fellow	2014	PI: Dr. Edith Parker

A. Personal Statement

I am trained in community engaged research approaches, health disparities and much of my work has been w conducted in partnership with local community members and organizations. I have been working with the UI Mobile Clinic and members of the West Liberty Coalition on projects related to cancer prevention and HPV vaccination for the past 2 years. I have successfully implemented 2 research projects funded by the Iowa Cancer Consortium in West Liberty as well. In addition, I am a member of the Cancer Prevention and Control Research Network workgroup on HPV vaccination. We have been using a community engaged approach to working with the community and this project will be integrated into our ongoing work in West Liberty.

B. Positions and Honors

Positions and Employment

2000 - 2003	Project Assistant, San Diego State University, San Diego, CA
2004 - 2007	Project Coordinator, San Diego State University, Graduate School of Public Health, San Diego, CA
2004 - 2008	Project Manager, San Diego State University, San Diego, CA
2006 - 2006	Data Coordinator, Viajes Interinstitucional de Integración Docente, Asistencial y de Investigación (VIIDAI), San Diego State University/ Universidad Autónoma de Baja California (UABC) /La Mesa Rotary Club, San Diego, CA
2007 - 2010	Adjunct Faculty, San Diego Mesa College, Behavioral Sciences, San Diego, CA
2007 - 2010	Graduate Research Assistant, San Diego State University, AOD Initiatives, San Diego, CA
2014 -	Assistant Research Scientist, University of Iowa, College of Public Health, Department of Community and Behavioral Health, Iowa City, IA
2014 -	Adjunct Lecturer, University of Iowa, College of Public Health

C. Contribution to Science

1. My publications demonstrate the commitment that I have to community-based participatory research and work in the Latino community. These publications are also indicative of the work conducted with diverse teams of collaborators in Iowa and in North Carolina.
 - a. Wagoner KG, Downs M, Alonzo J, Daniel-Ulloa J, Rhodes SD. Latino men's qualitative perspectives on a lay health advisor intervention to promote their sexual health Health & Social Care in the Community. Health & social care in the community. 2015; 23(3):304-12.
 - b. Daniel-Ulloa J, Reboussin BA, Gilbert PA, Mann L, Alonzo J, Downs M, Rhodes SD. Predictors of Heavy Episodic Drinking and Weekly Drunkenness Among Immigrant Latinos in North Carolina. Am J Mens Health. 2014 Jul;8(4):339-48. PubMed PMID: [24457467](#); PubMed Central PMCID: [PMC4107145](#).
 - c. Rhodes SD, Daniel J, Alonzo J, Duck S, García M, Downs M, Hergenrather KC, Alegría-Ortega J, Miller C, Boevig Allen A, Gilbert PA, Marsiglia FF. A systematic community-based participatory approach to refining an evidence-based community-level intervention: the HOLA intervention for Latino men who have sex with men. Health Promot Pract. 2013 Jul;14(4):607-16. PubMed PMID: [23075504](#); PubMed Central PMCID: [PMC3942881](#).

D. Research Support

Ongoing Research Support

U48 DP005021-01S4 , Department of Health and Human Services; Centers for Disease Control and Prevention

Curry, Susan (PI)

09/30/14-09/29/19

Cancer Prevention and Control Network Collaborating Center Role

The goals of this project are to accelerate the implementation of cancer prevention and control strategies in communities, reduce cancer risk, improve participation in prevention strategies such as cancer screening, and enhance large-scale efforts to reach underserved populations in order to reduce health disparities.

Role: Co-Investigator

U48 DP001902, Department of Health and Human Services; Centers for Disease Control and Prevention
Parker, Edith (PI)

09/30/14-09/29/19

University of Iowa Prevention Research Center for Rural Health

The major goal of this study is to develop and evaluate a community-based program in the area of nutrition and exercise to reduce BMI in rural Iowans through the establishment of the Prevention Research Center.

Role: Co-Investigator

15IPA1511676, Centers for Disease Control & Prevention

Daniel-Ulloa, Jason D/ Rhodes, Scott D (PI)

01/01/13-01/01/17

Intergovernmental Personnel Act

Conducting program evaluation to measure the impact of community-based STD prevention interventions; providing technical assistance and training to state and local health departments STD programs to promote in community engagement, public health intervention development and implementation; and conducting quantitative and qualitative research and CBPR. Develop and implement staff trainings in community engaged practice and research pertaining to Latino or Hispanic communities.

Role: CPI

Completed Research Support

Pilot Study, University of Iowa Prevention Research Center for Rural Health

Daniel-Ulloa, Jason (PI)

03/01/13-07/28/14

Futbol, Cameras and Health: A Photovoice project with Latino men in rural Iowa

The major goal of this study to explore and assess the health needs and leverage points of Latino men living in a small rural Midwestern town.

Role: PI

N/A, Iowa Cancer Consortium

Daniel-Ulloa, Jason D (PI)

12/01/13-06/01/14

An academic partnership to promote cancer health equality among Latinos in Iowa

The main goal of this photovoice project is to engage and discuss cancer prevention issues and priorities among Latinos living in small towns in Iowa. The project will culminate in a community forum to disseminate the results and build trust and collaborative partnerships in the community for further cancer prevention with Latinos

Role: PI

5883HP33, Centers for Disease Control & Prevention/Iowa Department of Public Health

Nothwehr, Faryle (PI)

08/01/12-09/29/13

Community Transformation Grant (CTG) Evaluation Services

The major goal of this project is to provide evaluation services for the Iowa Community Transformation Grant

Role: OP

WFUHS 330253, Wake Forest University/US DHHS/Centers for Disease Control & Prevention

Daniel-Ulloa, Jason (PI)

09/21/12-09/20/13

An Evaluation of Community Engagement within the CARS Initiative

To assess and evaluate the community engagement approaches and methods applied in the CDC initiative known as "Community Approaches to Reducing Sexually Transmitted Diseases" (CARS) to characterize and better understand the dynamics of community engagement (e.g., community advisory boards, partnerships, and networks) to address and reduce STD disparities."

Role: PI

Fellowship, Hispanic Serving Health Profession Schools

Daniel-Ulloa, Jason D (PI)

06/01/07-12/01/07

Hispanic Health Professional Training for HIV/AIDS and Related Infections in the US-Mexico Border Region

Role: FEL
