**Professional Experience:**

UNIVERSITY OF IOWA  
COLLEGE OF PUBLIC HEALTH, 2016 – present

June 2016 – present	Director, Master of Health Administration Program
June 2016 – present	Professor of Health Management and Policy (Clinical Track)

UNIVERSITY OF MEMPHIS  
SCHOOL OF PUBLIC HEALTH, 2011 – 2016

December 2013 – May 2016	Director, Division of Health Systems Management and Policy (equivalent to Chair; reported to the Dean)
August 2013 – May 2016	Health Systems and Policy Doctoral Program Coordinator
September 2011 – May 2016	Special Adviser to the Dean for Strategic Planning and Accreditation
September 2011 – May 2016	Professor of Health Systems Management and Policy (tenured)
September 2011 – December 2013	Associate Dean for Academic and Faculty Affairs
September 2011 – August 2012	Interim Director, Division of Health Systems Management and Policy

RUSH UNIVERSITY MEDICAL CENTER  
COLLEGE OF HEALTH SCIENCES, 2007 – 2011

September 2007 – August 2011	Director, Master of Science in Health Systems Management Program, Department of Health Systems Management
September 2007 – August 2011	Professor of Health Systems Management (tenured)

SAINT LOUIS UNIVERSITY  
SCHOOL OF PUBLIC HEALTH, 1994 – 2007

January 2005 – June 2007	Director (not equivalent to Chair; reported to Department Chair), Division of Health Management and the MHA Program, Department of Health Management and Policy
--------------------------	---

July 2000 – August 2007	Associate Professor of Health Management and Policy (department name change as of July 1, 2001), with tenure (tenure granted July 1, 2000), (Sabbatical: Spring 2004)
July 2000 - June 2001	Interim Associate Chair, Department of Health Administration
July 1998 – August 2007	Secondary Appointment, Center for Health Care Ethics, Saint Louis University
October 1996 - August 2006	Director, Center for HIV/STD Policy Studies (CHPS)
July 1994 - June 2000	Assistant Professor of Health Administration and Policy

**Education:**

Annual Summer Symposium (“Summer Camp”) on Quality in Healthcare and Healthcare Education (continuing education), Lake Morey, Vermont, Sponsored by the Dartmouth Institute for Health Policy and Clinical Practice, 2009-present

Evaluation Methods (continuing education), The Evaluator’s Institute (TEI) (recognized by the *American Evaluation Association*), George Washington University, 2004-present

Ph.D. Health Services and Policy Analysis, School of Public Health, University of California, Berkeley (U.C. Berkeley), May 1996

M.H.A. Health Services Administration, College of Health Professions, Medical University of South Carolina (M.U.S.C.), Charleston, May 1990

College of Medicine, Medical University of South Carolina, Charleston, 1984-1986

B.A. Biology, College of Charleston, Charleston, South Carolina, May 1984

**University-Based Scholarship (in reverse chronological order, with *current* listed first):**

University of Iowa **Consultant** (5-8% time), “Rural Health Values Project”, Robert Wood Johnson Foundation, Keith Mueller, PI.

University of Memphis **Principal Investigator** (5% time), “Physician Leadership Institute.” Baptist Memorial Health Care, Memphis, Tennessee. \$200,000 for initial one-year period. (Proposal accepted, PI role transferred given move to Iowa).

University of Memphis **Co-Investigator** (5% time), “PCORI research project: Multi-disciplinary care for lung cancer.” Pilot funding from Baptist Health Care Foundation and PCORI. Three year funding from PCORI, USDHHS. Ray Osarogiagbon, MD, PI, Baptist Memorial Health Care, Memphis, Tennessee. Current.

University of Memphis/  
Washington  
University **Principal Investigator** (10% time), Subcontract: “Tobacco Policy, Prevention and Cessation Evaluation.” Funded by the Missouri Foundation for Health. September 2007 – present. Renewable subcontract to the University of Memphis from Washington University in St. Louis. Total Subcontract Amount Annually: \$20,000 (Total since 2004: \$174,000). (Principal

	Investigator on main contract: Douglas Luke, PhD, Washington University in St. Louis). Current.
Consultant/ Transtria, LLC	<b>Consultant (One day per month)</b> , Subcontract: “Economic Evaluation of Childhood Obesity Prevention Demonstration Projects.” Funded by RWJ Foundation. (contract in progress). (Principal Investigator on main contract: Laura Brennan, PhD, MPH, President/CEO, Transtria, LLC, St. Louis). September 11 – June 2014.
Rush University/ TransTria, LLC	<b>Principal Investigator (5-10% time)</b> , Subcontract: “Economic Evaluation of Childhood Obesity Prevention Demonstration Projects.” Funded by RWJ Foundation. (Principal Investigator on main contract: Laura Brennan, PhD, MPH, President/CEO, Transtria, LLC, St. Louis). April 1-August 31, 2011.
Rush University	<b>Principal Investigator (10% time)</b> , “Chicago Health Surveillance System Pilot.” Funded by the Rush Translational Science Consortium. October 2009 – August 2011. Funding level: \$49,490.
Rush University/ Washington University	<b>Principal Investigator (10% time)</b> , Subcontract: “Tobacco Policy, Prevention and Cessation Evaluation.” Funded by the Missouri Foundation for Health. September 2007 – present. Renewable subcontract to Rush University from Washington University in St. Louis. Total Subcontract Amount: \$118,110. (Principal Investigator on main contract: Douglas Luke, PhD, Washington University in St. Louis).
Rush University/ Saint Louis University	<b>Principal Investigator, (10-12 % time)</b> , Contract: “HIV Prevention Evaluation Consultation Services.” Funded by the Missouri Department of Health. December 2000 – December 2007. Total Cost: \$169,000. <i>(Subcontract to Rush University during the last four months of contract)</i>
Saint Louis University	Co-Investigator (Lead Evaluator), <i>(20-25% time)</i> , Contract: “Tobacco Policy, Prevention and Cessation Evaluation.” Funded by the Missouri Foundation for Health. May 2005 – August 2007. Total Cost: \$1,175,000. (Principal Investigator: Douglas Luke, PhD).
Saint Louis University	Co-Investigator <i>(2.5-5% time)</i> , Contract: “Analysis of Missouri Medicaid Legislation.” Funded by the Kaiser Family Foundation. April – September 2007. Total Cost: \$35,000. (Principal Investigator: Timothy McBride, PhD)
Saint Louis University/ Washington University	Faculty Participant (Curriculum Adviser; Recruitment and Selection Committee Member), <i>(2.5-5% time)</i> , Grant: “Clinical Research Scholars Program.” K-12 Award to Washington University School of Medicine and Saint Louis University School of Public Health from the NIH. 2005-2007. Total Cost for Five Years: Approximately \$10 Million. (Principal Investigators: Victoria Frasier, MD (Washington University) and William True, PhD (Saint Louis University).
Saint Louis University	Faculty Participant Mentor, <i>(2.5-5% time)</i> , Grant: “Eliminating Health Disparities Educational Program.” Funded by the Centers for Disease Control and Prevention and the Health Resources and Services

	Administration. 2005-2007 (Principal Investigator: Matthew Kreuter, PhD, MPH).
Saint Louis University	Consultant, Contract: “Organizational Success Factors for Effective Health Education Programs.” Funded by the Association of Directors of Health Education Programs. April 2006 – March 2007. Total Cost: \$34,000. (Principal Investigator: Darcy Scharff, PhD, MPH).
Saint Louis University	Co-Investigator, Contract: “Analysis of Missouri Health Care Legislation.” Funded by the Missouri Foundation for Health. January – September 2006. Total Cost: \$179,000. (Principal Investigator: Timothy McBride, PhD).
Saint Louis University	<b>Principal Investigator</b> , Contract: “Evaluation of COMET.” The CORE Foundation, Chicago, IL, May 2005 – September 2006. Total Cost: \$26,450.
Saint Louis University	<b>Principal Investigator</b> , Contract: “HIV Prevention Web-Based Training Curricula.” Funded by the Missouri Department of Health, Office of Minority Health. July 2004 – September 2005. Total Cost: \$49,998.
Saint Louis University	<b>Principal Investigator</b> , Grant: “Evaluation of Efforts to Build HIV Prevention Capacity for Racial and Ethnic Minority Communities in the United States.” Funded by the Centers for Disease Control and Prevention, through Cooperative Agreement with the Association of Schools of Public Health, September 2000 – September 2003. Total Cost: \$1.2 Million.
Saint Louis University	<b>Principal Investigator</b> , Grant: “Assessing Health Departments’ HIV Prevention Evaluation Capacity.” Funded by the Centers for Disease Control and Prevention, through Contract with ORC Macro, September 1999 – December 2002. Total Cost: \$329,253.
Saint Louis University	<b>Principal Investigator</b> , Grant: “Statewide Population-Based Needs Assessment for HIV Prevention Community Planning.” Funded by Missouri Department of Health. December 2000 – May 2001. Total Cost: \$22,000.
Saint Louis University	<b>Principal Investigator</b> , Grant: “Missouri AIDS Case Management Improvement Project (MACMIP).” Funded by the Missouri Department of Health. July 1, 1999 – June 30, 2001. Total Cost: \$141,013.
Saint Louis University	<b>Principal Investigator</b> , Grant: “STD Prevention Marketing Campaign, St. Louis Metropolitan Area.” Funded by the Missouri Department of Health. December 31, 1997 – December 31, 1999. Total Cost: \$141,660.
Saint Louis University	<b>Principal Investigator</b> , Grant: “Missouri HIV Testing Survey (HITS) II Study.” Funded by the Missouri Department of Health: A Multi-State Study Coordinated by the Centers for Disease Control and Prevention. November 1, 1997 – May 31, 1999. Total Cost: \$63,000.
Saint Louis University	<b>Principal Investigator</b> , Grant: “Evaluation of HIV Prevention Initiative 305: Technical Assistance and Training by National and Regional Minority Organizations.” Saint Louis University School of Public Health Prevention

- Research Center, Funded by the Centers for Disease Control and Prevention, September 30, 1996 – September 29, 1999. Total Cost: \$638,561.
- Saint Louis University/  
Union College      **Co-Principal Investigator**, Grant: “The Development of Ryan White Title I Case Management Guidelines.” Funded by the New York EMA Health Services Planning Council/CARE Act Grantee/MHRA, June – September 1996. Total Cost: \$35,925. (Co-Principal Investigator: Susan E. Lehrman, Ph.D.).
- Saint Louis University      **Principal Investigator**, Grant: “Secondary Analysis of Missouri AIDS Data.” Funded by the Bureau of STD/HIV Prevention and Missouri AIDS Director’s Office, Missouri Department of Health, September 1995 – June 1996. Total Direct Cost: \$22,067.
- Saint Louis University/  
Union College      Co-Investigator, “Evaluation of AIDS Institute Case Management Services.” Funded by the AIDS Institute, New York State Department of Health, April 1995 – March 1996. Total Direct Cost: \$125,000. (Principal Investigator: Susan E. Lehrman, Ph.D.).
- Saint Louis University      **Principal Investigator**, Beaumont Faculty Development Fund, “A Preliminary Examination of the AIDS Cost and Services Utilization Survey.” January 1995 – December 1995. Total Direct Cost: \$2,300.
- U.C. Berkeley      **Principal Investigator**, Dissertation Grant: “A Study of Community-Based AIDS Service Organizations in 20 California Counties.” A Dissertation Grant Funded by the California Chapter of the American Cancer Society, January 1994 – December 1994. Total Direct Cost: \$10,000.
- U.C. Berkeley      Co-Investigator, Conference Grant: "The AIDS Epidemic and Organizations: Issues for Organizational Researchers." Funded by the University of California University-wide AIDS Research Fund, June 1991. Total Direct Cost: \$3,000. (Principal Investigator: Thomas G. Rundall, Ph.D.).
- U.C. Berkeley      Graduate Student Researcher for Professor Thomas G. Rundall. Grant: “Ryan White Comprehensive AIDS Resources Emergency Act of 1990 Evaluation.” Funded by the U.S. Public Health Service and the Henry J. Kaiser Family Foundation, January 1992 – June 1994.
- U.C. Berkeley      Graduate Student Researcher for Professor Helen Halpin Schaffler. “Study of Disease Prevention and Health Promotion in National Health Care Reform Proposals in the 102nd U.S. Congress.” Funded by a Biomedical Research Grant, School of Public Health, July 1992 – March 1993.
- U.C. Berkeley      Graduate Student Researcher for Professor Thomas G. Rundall, Grant: “AIDS and Organizations Research.” Funded by the University of California University Wide AIDS Research Fund, July 1991 – June 1994.
- U.C. Berkeley      Graduate Student Researcher for Professor Helen Halpin Schaffler. “Study of Wellness Benefits in Health Care Policies Offered by California Insurance Companies and Large Employers.’ Funded by a Tobacco-

Related Disease Grant from the State of California Department of Health Services, May – December 1991.

U.C. Berkeley Graduate Student Researcher for Professor Thomas G. Rundall. “The California HIV Planning Project.” Funded by the Office of AIDS, State of California. Western Consortium for Public Health, July 1990 – March 1991.

M.U.S.C. Graduate Assistant for Professors James A. Johnson and Anne Osborne Kilpatrick, Department of Health Administration and Policy, August 1988 – June 1990.

M.U.S.C. Research Assistant for Professors James Ballenger and Bruce Lydiard, Institute of Psychiatry, 1986 – 1988.
