

**UI College of Public Health
FY2016 Strategic Initiative Work Plan
Progress Report**

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
EDUCATION			
A curriculum of innovative, engaged teaching for undergraduates, masters, and doctoral students	Develop undergraduate program curriculum	<p>Create and disseminate calls for course proposals (core and elective)</p> <p>Develop capstone course</p> <p>Review and identify courses to move forward for development and identify gaps in content areas</p> <p>Move selected courses through approval process to be included in UI course catalog</p> <p>Sequence course offerings and identify pre-requisites</p> <p>Identify frequency and enrollment of course offerings to accommodate public health majors, non-majors and public health interest group students where appropriate</p> <p>Develop timeline for full-course development</p> <p>Identify potential experiential learning opportunities</p> <p>Develop programming to enable the college to participate in the Honors at Iowa program</p>	<p><input type="checkbox"/> Completed FY2016 objective</p> <p><input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective</p> <p><input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • October 15, 2015 – call for required course development, received 16 proposals – 12 moved forward as required for public health core or BA requirements, one was combined with another public health core course, two moved forward as electives, one did not move forward. • January 21, 2016 – call for elective course development, received eight proposals, seven moved forward, one did not move forward. • June 16, 2016 – second call for elective course development, three notices received. • Courses reviewed and approved by CPH Curricula Innovations Undergraduate Subgroup. • Required Courses also reviewed by CPH Curriculum Committee and preliminarily approved. • General Catalog descriptions of undergraduate programs were available June 2016. • CPH Curricula Innovations Undergraduate Subgroup developed recommendations for a capstone course in addition to an experiential learning graduate requirement which requires a student to complete one of the following activities - research, internship, global learning, or service learning. Each experiential learning area will be fully developed during the 2016-2017 academic year.

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
		<p>Provide training and resource opportunities for faculty while developing courses to ensure innovative teaching methods</p> <p>Develop policies for teaching assistant support</p>	<ul style="list-style-type: none"> • CPH Curricula Innovations Undergraduate Subgroup developed requirements for Honors in the Major designation, in consultation with UI Honors Program. • Faculty workshops focused on enhancing student learning, with an emphasis on undergraduate teaching. Topics included: <ul style="list-style-type: none"> ➤ Team teaching ➤ Transforming courses into active learning opportunities ➤ Teaching Generation Z ➤ Teaching innovations ➤ Working with students in distress • Meetings with College of Liberal Arts and Sciences (CLAS) to discuss CLAS best practices for TA hiring and faculty expectations; CPH policy is in progress.
	<p>Regularly communicate with UI leaders, CPH leaders, and CPH faculty, staff and students about the development of the undergraduate program</p>	<p>Ongoing communication with:</p> <ul style="list-style-type: none"> -Multiple UI offices that manage undergraduate programs in the areas of enrollment, recruitment, student life, and advising -Colleges on campus including Liberal Arts and Sciences -CPH Executive Committee -CPH faculty, staff and students at departmental and collegiate meetings, open forums, and workshops -CPH Board of Advisors 	<ul style="list-style-type: none"> <input type="checkbox"/> Completed FY2016 objective ✓ Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Fall 2015: <ul style="list-style-type: none"> ➤ Met with each department's faculty at departmental faculty meetings to discuss development of undergraduate curriculum. ➤ Met with student leaders of departmental and collegiate student organizations to discuss undergraduate program. ➤ Provided update at CPH Board of Advisors meeting. • Spring 2016: <ul style="list-style-type: none"> ➤ Provided overview to CPH Alumni Advisory Board. • Regular undergraduate updates provided at Executive Committee meetings and CPH Forums/Faculty meetings. • Regular meetings held with UI Admissions/Enrollment

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
	<p>Successfully recruit and enroll students in the undergraduate program</p>	<p>Participate in UI student recruitment activities</p> <p>Participate in Spring 2016 activities at UI and CPH for accepted students to increase yield rate</p> <p>Implement scholarship program</p> <p>Develop recruitment material (online and print)</p> <p>Develop an admissions and enrollment management plan for public health interest group students in the College of Liberal Arts and Sciences</p>	<p>Management, Academic Advising Center, Office of Student Life, and CLAS.</p> <p><input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Developed plans for full-time undergraduate recruitment staff position. • Fall 2015: <ul style="list-style-type: none"> ➢ Hawkeye Visit Days (5) ➢ You@UI • Spring 2016: <ul style="list-style-type: none"> ➢ UI Admitted Student Visit Days (3) ➢ Next Step Iowa programs in Chicago, Minneapolis, and Des Moines ➢ Junior Hawkeye Visit Days (2) ➢ VIP Event for admitted students • Created undergraduate website for prospective students, collaborated with UI Admissions to create Public Health at Iowa brochure and website, created BE PART OF IT CAMPAIGN including postcards, banners, newsletters, and video content highlighting CPH faculty and students. • In consultation with CLAS, Academic Advising Center, and UI Admissions/Enrollment Management, we created criteria for Standard Admissions (includes interest students). UI Admissions is creating the online application for Standard Admission. A FAQ website was also created for public health interest students. • A portion of the Baker philanthropy funds were set aside to create three scholarship programs for first-year public health majors: <ul style="list-style-type: none"> ➢ CPH Dean’s Scholars ➢ CPH Diversity Scholarships

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
			<ul style="list-style-type: none"> ➤ CPH Undergraduate Scholarships • Students applied through the Iowa Scholarship Portal. Two scholarships were awarded under each program. • A website was created for current undergraduates which includes a description of academic policies and procedures; much of this information is also available in the General Catalog.
	<p>Develop a plan for student services for undergraduate program</p>	<p>Develop an academic advising program</p> <p>Develop a student handbook</p> <p>Develop student life activities and programs</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Completed FY2016 objective ✓ Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • In consultation with the Academic Advising Center, a plan was developed to advise first year direct admits through the first 24 s.h. and public health interest students until they declare the major. • Spring 2016 – Hired professional advisor for undergraduate majors. This position will also be responsible for student life programming for undergraduate majors (e.g., Living Learning Community program involvement, CPH undergraduate student organization, etc.).
	<p>Ensure certificate program curricula is consistent with curricula development and revisions</p>	<p>Review existing certificate program curricula as the undergraduate program develops</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Completed FY2016 objective ✓ Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • The graduate certificate in public health will continue to include MPH courses. Given changes in the CPH exam it is recommended that in FY2017 the graduate certificate be re-evaluated to see if additional course work should be added to include all MPH core courses. • With the finalization of the undergraduate curriculum in FY2016, the undergraduate certificate in public health will

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
			be reviewed in 2017 to incorporate appropriate courses from the undergraduate curriculum.
	Undergrad to Grad (U2G) program	<p>Explore expansion of U2G program with off-campus partners</p> <p>Continue participating in recruitment events to promote the U2G program</p>	<p><input type="checkbox"/> Completed FY2016 objective</p> <p><input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective</p> <p><input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • U2G agreement with UNI is drafted and under review by the Provost's Office. • Continue to hold discussions with Cornell College regarding an U2G agreement. • Continue to target undergraduates from UI and Grinnell Colleges for CPH visit days; visited Grinnell College to meet with students interested in applying for the U2G program. • Continue to track interest in U2G and encourage application for students eligible in the coming year. • Anticipate 8-10 U2G students enrolling in Fall 2016.
	Enhance the MPH program	<p>Hire an MPH director</p> <p>Conduct surveys and interviews with alumni, employers and preceptors to gather information about MPH program competencies and skills</p>	<p><input type="checkbox"/> Completed FY2016 objective</p> <p><input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective</p> <p><input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Anjali Deshpande, PhD, MPH began as MPH Director on June 30th. • A survey was conducted of MPH alumni to assess preparation for the workforce as well as their perception of skills important in the current and future public health workforce. Interviews were conducted with employers and preceptors regarding the preparation of our students as well as skills needed. The results of the surveys and interviews will be shared with the MPH Director and Professional Curricula Innovations Subcommittee to

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
	Enhance academic degree program student experience	<p>Begin discussions among departments on methods to minimize overlap of course content, particularly quantitative topics</p> <p>Begin discussions among departments on the use of statistical software packages within collegiate courses and if there are ways to reduce the student burden on learning multiple software packages and/or provide tutorials</p> <p>Implement a plan to provide PhD and MS students with a scholarly integrity course</p>	<p>inform curricular revisions and enhancements.</p> <p><input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Discussions have started in Executive Committee and Curriculum Committee to address overlap of content in methods courses as well as the use of software packages. A subcommittee will be formed in FY2017 to further address these issues. • A new course, Principles of Scholarly Integrity, was developed and approved for implementation beginning Fall 2016. All MS and PhD students in the college will take this course.
	Ensure faculty have the resources needed to be outstanding teachers and enhance student learning	Conduct a workshop series for faculty in the areas of undergraduate teaching, team teaching and other innovative teaching methods, including the use of technology	<p><input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Faculty workshops focused on enhancing student learning, with an emphasis on undergraduate teaching. Topics included: <ul style="list-style-type: none"> ➤ Team teaching ➤ Transforming courses into active learning opportunities ➤ Teaching Generation Z ➤ Teaching innovations ➤ Working with students in distress
	Provide graduate and professional students with opportunities for interaction across disciplines to enhance professional development	<p>Develop a system to communicate professional development opportunities for students across the college</p> <p>Develop a plan to integrate seminar</p>	<p><input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p>

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
		opportunities across departments and collegiate-wide to increase student participation and improve efficiency	<ul style="list-style-type: none"> • The first collegiate-wide orientation was held in August 2015. Evaluations from the orientation were very positive and the college plans to continue this model in the coming years. • A college-wide seminar series (Spotlight on Public Health) will begin in August 2016. • Additional input is being collected from students on the best way to communicate professional development opportunities.
Strong training and education programs for practicing professionals	Continue and expand collaborative training programs	<p>Identify additional key stakeholders whose mission is strengthening the workforce through training and education</p> <p>Identify training gaps and as applicable utilize innovative technology to deliver training and education</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Institute for Public Health Practice (IPHP) staff held meetings with Iowa Department of Public Health (IDPH) Regional Health Consultants as well as local public health administrators to identify training and resource needs. • Examples of programs developed in response include: 12 Domains to PHABulous (addresses Public Health Accreditation Domains and required documentation); Board of Health Orientation Training Video; updated Isolation and Quarantine online training.
The highest level of compliance with accreditation criteria	Collegiate Accreditation (CEPH)	<p>As curriculum is developed and revised, ensure accreditation criteria are met</p> <p>Ensure all MS, PhD and MHA students receive a broad introduction to public health by developing a plan that incorporates a 2 sh Essentials of Public Health course with another source that would provide students 3 sh of broad public health knowledge</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Plans are in place to increase the Essentials of Public Health course to 2 s.h. • Academic students will complete Principles of Scholarly Integrity-Public Health to round out the exposure to the disciplines and approaches of public health. • MHA students will complete Managerial Epidemiology

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
			<p>which provides an overview of epidemiological concepts as well as the use of epidemiological data to address population health.</p>
	MHA Program	Operationalize Commission on the Accreditation of Healthcare Management Education implementation report to ensure accreditation criteria are met	<p> <input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective </p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> Compliance with accreditation criteria has been completed, with all criteria now met. Preparation for next cycle will commence in Fall 2016, with self-study due in 2017-2018.
	Industrial Hygiene Program	<p>Ensure a sufficient number of program faculty with appropriate expertise</p> <p>Maintain student enrollment at approximately 12 to 20 students (~ 60% MS, ~ 40% PhD students)</p> <p>Ensure that program educational objectives and student outcomes align with program stakeholders</p> <p>Continuously improve the program</p> <p>Revise curriculum to be up-to-date and assure that courses are delivered in an effective manner</p> <p>Ensure that the facilities provide students with hands-on training with relevant tools</p>	<p> <input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective </p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> Four faculty are engaged in IH Program. Additional faculty support the IH Program with expertise in occupational medicine (2), toxicology (4), ergonomics (1), exposure science (1), and occupational epidemiology (1). Current enrollment in IH is MS=15 and PhD=4. An additional 2 PhD students are in ergonomics. The program undergoes continuous evaluation and improvement by faculty for the accreditation and for competitive renewals of the Heartland ERC. Facilities are available but inadequate. A CPH facilities planning exercise is in progress to improve laboratory instruction.
	Occupational Medicine Residency Program (OMRTP)	Assure an adequate number of qualified faculty; hire one occupational and environmental medicine faculty member	<p> <input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective </p>

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
		<p>Sustain funding for the Heartland ERC</p> <p>Assure availability of coursework leading to the MPH degree</p> <p>Develop and maintain appropriate resident review mechanisms</p> <p>Assess the quality of each training activity</p> <p>Develop and implement quality improvement plans based on assessments</p>	<p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • With the retirement of several faculty, Dr. Brenda Buikema will phase into leadership of the OM RTP. Dr. Steve Rippentrop will come on board as a contributor and mentor to the program. • The Heartland ERC continues with funding. In advance of our next competitive renewal we plan to hire a faculty member in occupational safety and create a training program in that area. We will transfer leadership of the OM RTP to Brenda Buikema before the renewal. • Review and assessment of the OM RTP is done at least annually through the Residency Advisory Committee, the UIHC Residency Programs leadership, and the accrediting body. The quality of all training activities are evaluated with an eye to continuous improvement.
<p>Sustained success in post-graduate placement</p>	<p>Professional development opportunities for students</p>	<p>Pilot collegiate-wide professional development opportunities for professional and academic students</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • A college-wide seminar series (Spotlight on Public Health) will begin in August 2016 which will include professional development topics targeted at students. • Additional input is being collected from students on the best way to communicate professional development opportunities.
	<p>Expand and nurture relationships with employers</p>	<p>Develop an executive-in-residence program in the Iowa Institute of Public Health Research and Policy (IIPHRP)</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Developed Executive-In-Residence (XIR) program including program description, planning processes, and

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
			reporting tools. <ul style="list-style-type: none"> • Day-long XIR events held in March and April with three executives from John Deere. • Three additional companies have met with IIPHRP staff to explore and plan their participation in the XIR program including IDX, Health Solutions, and Telepharm.
RESEARCH			
Robust and sustained collaborative research partnerships	Build and sustain relationships with key stakeholders including business and industry, UI centers, colleges, research units, Institute for Clinical and Translational Science, cluster initiatives, state agencies, and community partners	Collaborate with Iowa Research Foundation (UIRF), UI Office of Vice President for Research (OVPR), and UI Foundation to identify potential business and industry research partners Host synergy meetings, visit and make connections for collaborative meetings, executive-in-residence program Match CPH faculty with potential collaborators both within and beyond the college by identifying potential collaborative requests for applications, hosting events to share ideas, and identifying emerging public health priority areas Identify internal (e.g. pilot grants) and external funding sources Conduct an annual assessment of CPH Centers to identify opportunities for growth and expanded partnerships	<ul style="list-style-type: none"> <input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Identified opportunities to meet with industry, including meetings with HMG/TelePharm, John Deere, and Farm Bureau. Worked with Director of Development to secure grants from Deere and Farm Bureau. • Executive-in residence events held with executives from John Deere. • OVPR Collaboratory proposal with CPH Faculty member. • Supported meetings and conversations about large grant partnerships including for global health, National Endowment for the Humanities, and with the Informatics Initiative. • Individual meeting with CPH Faculty were held to discuss funding collaborative meetings and potential grant proposals (NEH/Obermann). • Weekly Funding Opportunities (email announcement), routinely circulate announcements about internal funding initiatives. Host meetings to discuss collaborations on internal initiatives (e.g. IIPHRP and Informatics Initiative). • Center Assessments were completed and reviewed by the Research Council.

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
	Enhance research networks across CPH departments	<p>Implement a collegiate-wide research seminar</p> <p>Develop and fund at least one research 'collaboratory' via the Iowa Institute of Public Health Research and Policy</p>	<p><input type="checkbox"/> Completed FY2016 objective</p> <p>✓ Satisfactory progress toward FY2016 objective</p> <p><input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Annual seminars include the Distinguished Faculty Lecture, Hansen Award, and Research Week keynote, in addition to CPH faculty research presentations. • Collaboratory development is ongoing and in the planning stages.
Diversified funding of high impact research	Build relationships with funding agencies	<p>Host 1-2 funding agency representatives annually</p> <p>Identify opportunities for CPH researchers to visit funding agencies</p> <p>Provide resources for CPH research community to identify potential funding opportunities (grant notice, UI Office of the Vice President for Research Winning Institutional Nomination System announcements, organize individual meetings with sponsored programs)</p>	<p><input type="checkbox"/> Completed FY2016 objective</p> <p>✓ Satisfactory progress toward FY2016 objective</p> <p><input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Pursued Department of Defense visit to CPH that was unsuccessful, but prioritizing visit in FY2017. • Coordinated four Lewis Burke assisted trips to Washington DC for CPH Faculty. • Resources are continually provided to CPH research community to identify potential funding.
	Expand public-private partnerships	Develop an executive-in-residence program in the Iowa Institute of Public Health Research and Policy	<p><input type="checkbox"/> Completed FY2016 objective</p> <p>✓ Satisfactory progress toward FY2016 objective</p> <p><input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Developed Executive-In-Residence program including program description, planning processes, and reporting tools. • Day-long XIR events held in March and April with three executives from John Deere. • Three additional companies have met with IIPHRP staff to

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
	Identify new avenues for conducting high impact public health activities	<p>Build inventory of consulting expertise</p> <p>Identify opportunities for licensing of intellectual property</p> <p>Identify opportunities to expand public health research partnerships, such as state agencies, policymakers, and philanthropists</p>	<p>explore and plan their participation in the XIR program including IDX, Health Solutions, and Telepharm.</p> <p><input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Research Office coordinates one-on-one meetings with UIRF to ensure licensing of intellectual property as opportunities arise. • Opportunities to expand partnership included: Institute Fellow program, Grant Writing Club, trainings to help write op-eds and create infographics, and hosting legislative staff meetings.
	Stay abreast of compliance requirements	<p>Provide information to sponsored programs, human subjects and grant accounting office regarding ideas for more efficient research administration</p> <p>Create templates for service agreements with external entities and fact sheets or guidelines for faculty entering into agreements</p> <p>Broaden the understanding of the Sponsored Programs flow sheet with regard to F&A calculation and definition of research</p> <p>Host annual meetings with departmental administrators and compliance units</p>	<p><input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Efficient research communication was continued and provided input to OVPR on Office of Research Development. • Division of Sponsored Programs maintains and provides templates. • More discussion is needed to understand calculation and definition of research. • Attended department faculty meetings once per year and attended departmental administrators meetings when relevant agenda items are included. • Lunch and Learn with OVPR Compliance is anticipated for FY2017.
	State-of-the-art research facilities	Develop a CPH long-term research facility master plan	Engage UI Facilities Management's assistance in developing a master plan for the college

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
			<p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> Highlighted as a top collegiate priority during presentation to President and VP group. Submitted initial data to FM as part of the new master planning process.
	Construct or relocate selected labs	Participate in the design and construction of space for faculty research groups	<p><input type="checkbox"/> Completed FY2016 objective</p> <p><input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective</p> <p><input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> Continue to meet and facilitate needs of research groups, as needed. Space identified for Toxicology group, design phase to begin soon. Research groups at BioVentures were relocated to SHL and IREH. Space to relocate National American Indian and Alaska Native Addiction Technology Transfer Center identified, move to occur Fall 2016.
	Identify funding sources for research lab build out and remodeling	Submit funding proposals and receive funding in support of faculty startup packages and other research, as needed	<p><input type="checkbox"/> Completed FY2016 objective</p> <p><input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective</p> <p><input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> Proposals are routed for consideration, as needed. Commitment from Cancer Center and UI Health Care towards Molecular Epidemiology faculty line.
Effective translation and dissemination of research results	Target dissemination research results to peers, professionals, public, and policymakers	<p>Collect success stories and identify opportunities to promote these to the CPH community and stakeholders</p> <p>Assist faculty in developing impact-based materials, such as policy briefs, articles for</p>	<p><input type="checkbox"/> Completed FY2016 objective</p> <p><input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective</p> <p><input type="checkbox"/> Unsatisfactory progress toward FY2016 objective</p> <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> Previous success stories are used to promote use of CPH

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
		professional journals, or public education materials	<p>work to the University. New round of success stories are currently being conducted.</p> <ul style="list-style-type: none"> • Faculty development opportunities included Op-Ed workshop, Institute Fellow program, and Infographic workshop.
	Promote research impact	<p>Host events to celebrate research impact</p> <p>Partner with community and stakeholder groups to promote public health and public policy impact</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Research Week was held in April 2016 and included week-long events. • Helped plan funding and legislative visits, hosted legislative staff visits with Communications Office, and held Op-Ed workshop.
IMPACT			
Sustained recognition as a highly-sought resource for education, training, policy, and research	Expand public-private partnerships for education and research	<p>Develop and implement a charter executive in residence program with John Deere</p> <p>Implement a scholar in residence program through the Iowa Institute of Public Health Research and Policy</p> <p>Tap into existing resources to identify potential industry partners</p> <p>Host at least one new potential industry/company partner at CPH to explore opportunities</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Completed FY2016 objective <input checked="" type="checkbox"/> Satisfactory progress toward FY2016 objective <input type="checkbox"/> Unsatisfactory progress toward FY2016 objective <p><u>FY2016 activities included:</u></p> <ul style="list-style-type: none"> • Developed Executive-In-Residence program including program description, planning processes, feedback surveys and reporting tools. John Deere was the inaugural participant and helped to test and refine processes. • Day-long XIR events were held March 24, 2016 and April 21, 2016 with three executives from John Deere. (Laurie Zelnio, Rick Weires and Scott Fowler). • Additional executives from John Deere have expressed interest to participate in the XIR program. These executives are scheduled to participate in Spring 2017. • For the first time, John Deere Foundation awarded three grants to CPH:

Strategies	FY2016 Objectives	FY2016 Tactics	FY2016 Annual Progress Report
			<ul style="list-style-type: none"> ➤ Promoting Direct-Reading Instrument use in Agriculture. ➤ Student Experience in Farm Equipment Road Safety: A Pilot of SafeTrek. ➤ Global Exposure for UI Public Health graduate students. • Developed Project Description of the Resident Scholar-Visiting Professor (RSVP) program. • Outreach to potential RSVP candidates is occurring with hopeful launch of inaugural RSVP Fall 2016. • CPH and UI Foundation are identifying new corporate partners and strengthening relationships with existing partners such as Iowa Farm Bureau Federation and John Deere. • The CPH Business Leadership Network held community forums in Webster City, Centerville, Storm Lake, and Osceola, in collaboration with business and community organizations. In addition, the BLN's small grant program identified business and community partners in six Iowa communities. • Hosted XIR events with John Deere as stated above. Hosted XIR exploration meeting with IDX 2/18/16 and planning meeting 5/11/16. Hosted exploration meeting with Health Solutions 6/14/16. Exploration meeting with Telepharm planned for 7/6/16.
