

Project Updates

Amanda

- Laser Tag
 - Too costly to continue to consider as an idea (~\$2300)
- Bubble Soccer
 - Looked up company that provided laser tag to CAB
 - A potential event for the spring once it's warmer
- Bowling alley – Colonial Lanes 3:30p – 6:00p
 - \$21 per lane per hour, up to 8 lanes available for us (8 people per lane)
 - Shoes \$2 (to be covered by attendees)
 - Tuesdays are usually good for the alley
 - Major questions:
 - How many lanes do we need?
 - Can we do 90 minutes? (we all agreed 1 hour was probably not enough time)
- Other Ideas
 - Movie night
 - Trivia night
 - Pumpkin carving
- Will use results from survey to gauge interest in each potential event

Catherine

 - Talked to Mary – open to leading cover letter workshop
 - Mary would prefer to not have the full hour to herself

 - Alicia Jones – Catherine make contact with her (she is familiar with CPH)
- Alumni panel - 10/19 12:30-1:30
 - Javi and Kate are available to help facilitate event
 - Lexie will forward the list of panel participants
- Can make flyers to put on screens at CPHB (cover letter and blood drive potentially)
- Job search series (Potential spring semester professional development series)
 - Would cover what job titles to search and how, resources for job postings, etc.)
 - IDPH a potential resource - could cover how to optimize job searching for their jobs/similar postings
 - Would it be more beneficial to have a workshop setting?
 - Possibly present it in the computer labs (one lab for academic, one for professional jobs)
 - Or split up by field of interest/department
