

## **Additional information**

In this study, you will be invited to communicate with study pharmacists over a 4-month period using a free study app that the University of Iowa developed. You will need to download the app onto your smartphone or other mobile device.

After you complete the Registration section in the Iowa PHR app, you will be randomly assigned (by chance) to continue to use the “mobile app” or the “web app”.

**All information you enter is stored on a secure computer at the University of Iowa.**

## What is this study about?

This study is designed to test whether a mobile app is better than a standard website (“web app”) in helping patients interact with pharmacists to reduce their cardiovascular risk.

- You will be paid \$25.00 for joining the study and completing the Registration.
- This is a voluntary study so you should only participate in it if you decide you want to.
- Please feel free to talk about your participation in this study with your family and friends.
- Up to 125 patients across Iowa will participate in this study.
- **You can complete all study activities online.**
- **NO TRAVEL is required for any part of this study.**

## How do I join the study?

1

Download and install the ‘**Iowa PHR Pharmacist Connection Study’ app on your smartphone or mobile device.**

### **If you have an Android device**

- for example, Samsung, Motorola, LG, HTC, Droid, etc. -  
**visit the Google Play Store** to download the app.

### **If you have an Apple device**

- for example, iPhone, iPad, iPad Touch, etc. -  
**visit the App Store** to download the app.

2

Open the app and enter the username and password from the letter you received in the mail.

3

Review the study details in the app to decide if you want to participate. If so, the app will guide you on next steps.

## What if I have questions about the study?
